William Shakespeare

William Shakespeare is the most famous of all English writers. People say that there are two books you will always find in an English home: the Bible and works of William Shakespeare.

Shakespeare was born in Stratford-on-Avon in April 1564 and died there also in April 1616.

He married Anne Hathaway. For some time he worked as a teacher in the neighborhood of Stratford-on-Avon. In 1586 he went to London and became an actor. He worked at the Globe Theatre, where started to write plays and poems. The most well-known plays are "Romeo and Juliet" and "Hamlet, Prince of Denmark".
